APX LOW-PROFILE INDUSTRIAL SCALE

Portable 200 kg scale with stainless steel pan only 40 mm high

200 KG | STAINLESS PAN | 40 MM LOW PROFILE | 50 H BATTERY

DESCRIPTION

The APX is a low-profile industrial scale only 40 mm high, with a 388 × 308 mm stainless steel pan and 200 kg capacity with 50 g division.

Being so low, boxes, sacks or parcels can be loaded effortlessly, and it is easy to carry from one station to another. Supplied calibrated and ready to use.

Its backlit LCD indicator with sealed keypad offers zero, multiple tare and kg, lb and lb-oz units; it runs on mains or a rechargeable battery lasting up to 50 hours and switches off automatically to save power.

CONSTRUCTION AND STANDARD EQUIPMENT

- 40 mm low-profile platform
- 388 × 308 mm stainless steel pan
- Backlit LCD indicator with waterproof keypad
- Rechargeable battery (up to 50 h) or mains; auto power-off
