DESCRIPTION

The M80 is Baxtran's most complete touch retail scale: 10" seller touchscreen and 10" customer display with configurable advertising, both high-definition (1280 × 800), with built-in ticket printer.

It manages over 10,000 PLUs (80+ direct on screen), up to 10 direct and 10 indirect sellers, cash and card multi-payment, simplified invoices and statistics. The floating-seller system links up to 32 M80 and S70 scales.

380 × 280 mm stainless pan, 203 dpi printer at 130 mm/s, embedded Linux and TTC Back Office software. Versions with built-in barcode reader are available.
