

PLATFORM PIT FRAMES

Pit frames for platforms from 1,200 × 1,200 to 2,000 × 1,500 mm, in stainless (PI) or standard (ME)

PIT MOUNTING

STAINLESS (PI)

STANDARD ME

1,200–2,000 MM

DESCRIPTION

Pit frames let you install the weighing platform flush with the floor, so trolleys and pallet trucks roll on without a ramp.

The PI series is stainless steel (1,200 × 1,200, 1,500 × 1,200 and 1,500 × 1,500 mm) and the ME series covers 1,200 × 1,200 to 2,000 × 1,500 mm.

They combine with the pit liners. Tell us your platform model and size.

CONSTRUCTION AND STANDARD EQUIPMENT

- Flush floor installation of the platform
- PI series in stainless steel
- ME series up to 2,000 × 1,500 mm
- Combine with pit liners
