TMN INDUSTRIAL SCALE

Single-load-cell stainless steel scale from 30 to 600 kg with BR16 indicator

SINGLE LOAD CELL | STAINLESS STEEL | 30–600 KG | BR16 INDICATOR

DESCRIPTION

The TMN is a single-load-cell stainless steel industrial scale with column and indicator, sturdy and available in 16 capacity and pan combinations: from 30 kg on 350 × 450 mm to 600 kg on 600 × 800 mm.

Its tubular frame stands on adjustable shock-absorbing feet to stay stable on uneven floors. The BR16 indicator has a 6-digit backlit LCD and a fast converter of up to 10 readings per second.

It runs on a rechargeable battery (up to 320 hours without backlight) and has an RS232 output for printer or software. References with a CE-M division are supplied for legal-for-trade use; verification is quoted separately.

CONSTRUCTION AND STANDARD EQUIPMENT

- Stainless steel tubular frame and pan
- Adjustable shock-absorbing feet
- BR16 indicator with 6-digit backlit LCD
- Rechargeable battery (up to 320 h) and RS232 output
