AMERICAN PALLET

DESCRIPTION

The TP XBAT WIDE is Baxtran's weighing pallet truck with a removable, rechargeable battery lasting up to 40 hours: swap it in seconds and the truck never stops while charging. Wide version for American pallets.

It has a GI410 indicator, IP68 load cells and polyurethane-tread wheels, with a maximum height of 19 cm. Made of painted steel or stainless steel.

General-use and CE-M approved versions; memory for up to 400 tares and optional wireless connection.

CONSTRUCTION AND STANDARD EQUIPMENT

- Removable rechargeable battery (up to 40 h)
- GI410 indicator; 400-tare memory
- IP68 load cells; 19 cm maximum height
- Painted or stainless steel; polyurethane wheels
