BERKEL

Ø 265 MM BLADE

DESCRIPTION

It is the smallest of Berkel's flywheel family: it fits almost anywhere while keeping a 265 mm blade, gold decorations and the brand's perfect cut.

Designed for homes, restaurant tables and counters with little space.

Slices from 0–1.35 mm and a cutting capacity of Ø 176 mm round or 190 × 165 mm rectangular.

- Removable stainless steel receiving tray, dishwasher safe.
- Full blade guard ring opened by a screw mechanism, aluminium rear guard ring and ergonomic black anodised aluminium controls.
