RP-RA150 MANUAL TRAY SEALER

Benchtop tray sealer for closing trays with lidding film

BENCHTOP

MANUAL SEALING

TRAYS

MULTI-FORMAT MOULD

DESCRIPTION

The RP-RA150 is the most compact sealer in the range. It closes trays up to 192 × 137 mm with lidding film and is designed for small production runs and small businesses.

The sealing cycle takes 2 to 3 seconds. Its multi-format mould, supplied as standard, takes 192 × 136 mm and 136 × 92 mm trays without changing the mould.

Sealing is hygienic and leak-tight: contents cannot spill and do not release or absorb odours, product keeps for longer and presentation improves.

CONSTRUCTION AND STANDARD EQUIPMENT

- Multi-format mould as standard (192 × 136 and 136 × 92 mm).
- Analogue control panel.
- Power supply 220/230 V · 50/60 Hz, 600 W.
- Fixed mould made to the customer's tray, on request.

KEY DATA

Max. tray	192 × 137 mm	Power	600 W	Cycle	2-3 s
Film width	150 mm	Max. reel	Ø 170 mm	Net weight	10 kg
