BAND SAW STL-480M SLIDING TABLE

Stainless steel floor-standing band saw · sliding table · 480 mm cutting height

BAND SAW | SLIDING TABLE | 480 MM CUT | IP65

DESCRIPTION

The STL-480M is a floor-standing band saw for the meat and fish industry, very sturdy and designed for large facilities, with a 480 mm cutting height and a 5.5 HP three-phase brake motor.

Automatic band tensioning, band stops in 4 seconds, door-opening safety device and protection against unintended start-up. Right-hand or left-hand version.

One-piece 18/10 stainless steel body, easy to clean with pressurised water; scrapers removable without tools and pulley scrapers during cutting.

CONSTRUCTION AND STANDARD EQUIPMENT

- Integrated 18/10 stainless steel saw.
- Double-flanged stainless steel pulleys.
- Sliding table with pusher and sliding carriage as standard.
- Start/stop buttons and emergency stop, IP65.
